

## **Opportunities Week of 3/31/17**

**Summer Research Internship at Estee Lauder:** An internship is available for this Summer (2017) for rising junior or senior Biology majors. Interns will work in a skin biology laboratory on an independent research project. Cell culture experience is helpful, but not required. Estee Lauder is looking for motivated students, who will take personal initiative in their research project

**Deadline to apply is THIS TUESDAY (4/4)**

Please send resumes to [rdintern@estee.com](mailto:rdintern@estee.com)

**SBU Taandava Presents Jana Seva Indian Classical Dance Show:** This is a performance to raise money for the charity Room To Read, which promotes literacy. The event is free, but any donations will go to the charity. Suggested donation of \$10

Event is Friday, March 31<sup>st</sup>, 2017 (TONIGHT!) at 6 PM, Charles B. Wang Theatre

**Princeton Review MCAT Instructors Positions:** The Princeton Review is looking to hire part-time MCAT instructors on Long Island (Nassau and Suffolk counties). Courses and scheduling are flexible, and can be fit alongside college classes, lab work, or other jobs. Base pay is \$32/hour. Currently looking for Organic Chemistry, General Chemistry, Biology, and Physics instructors.

If interested, please complete the new applicant survey at <http://tinyurl.com/hwtdzvf>

**"The Ugly Truth" Heroin and Prescription Drug Awareness:** You have read the headlines, now find out the real story about how heroin and prescription drugs are affecting Suffolk County communities and what you can do to foster a safe environment.

Representatives from Suffolk County Police Department Community Response Bureau, Suffolk County Medical Examiner's Office, Suffolk County Police Academy's E.M.T.U. and the Department of Mental Health and Hygiene will present the most current information on this important topic. In addition, expert representatives from various local substance abuse treatment agencies will be available to answer your questions.

NARCAN TRAINING: There will be optional training on Narcan, a medication used to block the effects of opioids, especially in overdose. The training includes a free Narcan kit to take home.

OPERATION MEDICINE CHEST: Bring your expired or unwanted prescription medications for safe disposal by the S.C.P.D. Please remove pills from bottles/blister packaging and place in Ziploc type bag. Liquids or syringes will NOT be accepted. Open to students, faculty and staff.

**Tuesday, April 4<sup>th</sup>, Wang Center, Lecture Hall 2**

Space is limited; registration is required. RSVP at
