

12-Month Unduplicated Headcount By Level, 1991-92 to 2023-24

About these data: Unduplicated headcount enrollment represents the number of unique individuals who were enrolled at Stony Brook University for credit during any term (Summer, Fall, Winter, Spring); each individual is counted only once even if registered for multiple terms. Students who switch from the undergraduate level to the graduate level during the course of the year are recorded at the higher level. The category "first professional" from 1991-92 to 2008-09 counted students at Stony Brook pursuing M.D. and D.D.S. degrees; beginning in 2009-10, these students are counted as graduate students.
