

WHAT IS MTRC?

MTRC is Empire State Development's Regional Manufacturing Extension Partnership (MEP) center for the Long Island region. We are one of the ten centers within the NIST NY-MEP program, with FuzeHub being the state-wide MEP center.

MTRC is designed to assist small to medium-sized manufacturing companies develop business growth and increase competitiveness through training, workforce development, revitalization or renewal of their product lines.

 AT STONY BROOK UNIVERSITY

EMPOWERING LONG ISLAND MANUFACTURERS: FUELING GROWTH, INSPIRING INNOVATION

 **Stony Brook University**

MISSION STATEMENT

Provide growth and innovation resources to small and mid-sized manufacturers on Long Island, assisting manufacturers to create and retain jobs, increase profits, and save time and money through consultant experts and workforce training. Also, to engage with larger companies to support their supply chain companies which fall in the small and mid-sized company category.

VISION STATEMENT

To be the “go to” contact for all small and mid-sized Long Island manufacturers. MTRC will work collaboratively with our internal experts, regional partners, and New York State MEP centers to connect needed resources to the manufacturers.

WHAT MTRC CAN DO FOR YOU

MTRC encourages the strength and competitiveness of LI regional manufacturers by providing onsite technical assistance through manufacturing engineering assessments, coaching, training, and consulting, collaboration-focused industry programs, and leveraging government, university and economic development partnerships.

SERVICES WE PROVIDE
